Wednesday, May 31, 2023

## THE HOUSE OF PROVIDENCE PICNIC EST. 1879

Step back in time and join us at the "House of Providence Picnic" presented by the Congregation of Sisters of St. Joseph Canada to celebrate 143 years of compassionate care.

The House of Providence Picnic has a rich history dating back to 1879, when it was first organized to raise funds for the initial care home on the grounds of our campus.

The picnic was a beloved annual event for 92 years by the community, before coming to a halt when the home was destroyed in a devastating fire in 1971. The tradition was briefly reinstated to support the care at St. Joseph's Villa before being replaced by our Foundation's annual gala.

We are thrilled to bring back the House of Providence Picnic for our residents, staff and community. We invite you to join us in support of this historic event.

As a sponsor, your organization will have the opportunity to participate in the event and engage with staff and residents through activities such as live music, face painting, yard games and much more.

Your involvement will support capital needs, programs and services of St. Joseph's Villa and Margaret's Place Hospice.
